## Member Congrats!

Congratulations to our members Richard Skaggs (68R) and Nelson Maldonado Medina (69M) for qualifying for Advanced Exhibitors in 2022. They will both move from Novice to Advanced in January 2023.

## Special Thank You...

A huge THANK YOU to Susan Stieve for preparing the Show Reports, Bird Achievement Reports and Breeder/Exhibitioner Reports seen in this guide.

Thank you to all those who volunteer their time and energy to make shows and events possible for all of us to enjoy, from hosts to supporters, exhibitioners and judges. We are all so thankful for our amazing community for making our shows happen!

The editor would like to give a special thanks and credit to Ellen O'Neil for expressing the idea of creating this guide for our members.

## About the NCS

Since 1983, we've provided our members with cutting edge information through our quarterly journals covering health topics, pet care, nutrition, breeding, genetics, handfeeding, exhibition and more. We support the use of closed traceable bands, record keeping and uniformity in judging.

# Banquet

Last year from 2-4 September 2022, we gathered at the Holiday Inn by the Houston Intercontinental Airport in Texas to attend NCS' year end show called "The Specialty Show". It has been a yearly event to fellowship, celebrate amazing birds, and their owners. The Specialty has three Cockatiel shows in which one is dedicated solely to showing baby Cockatiels. An evening banquet took place Saturday evening. The evening banquet offered a social hour, where the membership has an opportunity to mingle, which affords the opportunity to catch up with old friends and make some new ones. The banquet kicked off with a Board of Directors meeting, followed by a membership meeting. The NCS board also took the opportunity to present awards to members who distinguished themselves within the year (i.e. exhibitor of the year, State Coordinator of the year, etc.). The banquet is an important part of our annual Specialty Show event because this is the one opportunity where we get to fellowship with our membership, have open dialogue, provide organizational updates, and publicly praise our top exhibitors. This show takes lots of research and coordination as NCS wants to provide everyone an opportunity to attend.
